

**WE HAVE PRESENTATIONS FOR PARENTS, TEACHERS,
STUDENTS, CIVIC ORGANIZATIONS AND ANYONE
INTERESTED IN KEEPING OUR YOUTH SAFE AND AWARE.**

**PRESENT
TO YOU**

An all inclusive presentation for Teachers and Adults on our full Drug Awareness Program including, What to Look For, Hidden Storage, The Dangers of the Internet, Marijuana, Opiates, Local Drug Busts and Vaping.

This presentation is around 50 minutes long.

We currently have four in depth presentations geared specifically for our youth.

These presentations are around 40 minutes long.

All presentations have a Question & Comment period upon completion.

We strive to keep our presentations informative without alienating our audience. Our purpose is to share the information we have, not to stress if it is right or wrong. All final decisions belong to the participants.

For more information or to request a presentation, please contact:
